

Welcome to Dawg Paradise's Comprehensive Daycare program

Our staff is super excited to roll out this new program and we are anticipating that it will be very beneficial to your dog and you will be seeing some positive results.

There are a couple things we need from you (the Pet Parent) when you bring your pup on comprehensive days.

- Please bring treats that can be consumed in a single bite (we suggest pieces of their kibble or training treats).
- Please make sure you are here by 9am and remember pick up is between 4pm and 6pm
- If your dog has a favorite toy or blanket that you want them to have during their rest period you are welcome to bring it.
- Your credit card on file will be charged on August 3rd for all of the days you reserved in August. Please keep in mind that we are dedicating staff to this program so if you miss a day you will forfeit that day.

To make sure we provide your dog with the best experience possible we need you to initial the items listed below then print and sign your name and return this form on the first day of classes.

Thank you for participating in this program. We are looking forward to working with your dog.
